Rownhams House is not far from Junction 3 of the M27. Use your Sat Nav to arrive at SO16 8LS.

You will find that you'll enter into a residential estate. Don't worry.... You are in the right place (although it's the last place you'd expect to find an enormous Georgian Country House!).

When you drive into the Rownhams House grounds, please park somewhere to the front of the main house.

To find our office:

When facing the house, we are down the left hand side, so walk to the left of the building and turn the corner towards the Coach House (it is signposted but quite small).

Carry on walking as far as you can go, and we are the last door. There are two bells - ours is the top one! Ring on that and we'll come and let you in!
